Helen: Hi Rosie, 你看我的包包好旧了,我好想要这款包包,可是商店里都卖完了。

Rosie: Did you check for it online?

Helen: Online? 你是说网上购物吗? 我有点担心万一被骗了怎么办。

Rosie: It's not that bad, just make sure you buy from stores with good feedback

and reviews.

Helen: Feedback 客户的反馈, reviews 评论。So where do you do your online

shopping?

Rosie: Everywhere, I suppose, I love a bargain.

Helen: I love a bargain too. Do you think I will get this bag cheaper online?

Rosie: Yes, of course. But we need to do some price comparison first.

Helen: 比比价 price comparison, 怎么比法?

Rosie: You can search for the item online and see which shops are selling this

item.

Helen: 自己网上查,自己比比价。那么我看到电视上看到的 price comparison websites

那又是什么呢?

Rosie: These are online websites that do all the legwork for you, so you don't

have to look through thousands of web pages yourself.

Helen: That's sounds good, I'd prefer stress free shopping.

Rosie: But I am not sure they're gonna work for your handbag. Let me see, we

can try online auctions.

Helen: 网上拍卖 online auction. 我没在网上拍卖过东西,这怎么办呢?

Rosie: Look I found your bag right here, it's got a starting price of just 99p.

Helen: 真的吗? 99p. I'll have it now. It's 49.99 in the shops.

Rosie: No, this is an auction, it starts at 99p with no reserve, but I think you can

get it for 15 pounds

Helen: 起价99p, 但是没有 reserve 没有保留价. So shall we still go for it?

Rosie: Let me do some checks first. The seller seems to have very good feedback,

that's really important.

Helen: 还要注意什么?

Rosie: Ok, so the auction is ending in 5 days, so what's your maximum bid?

Helen: 我的最高价 my maximum bid. 我的最高价 How about twenty pounds?

Rosie: I have put in the bid for you. So let's forget about it. It'll be yours in 5

days.

5 days later

Helen: 哎呀,还有10秒,这个包包就是我的了。Please please...

Back to the computer.

Rosie: Oh no. We've been outbid in the last second!

Helen: What? 被人抢了? Outbid. How could this happen? I am sticking to my high

street shopping. Online shopping is just too stressful for me.
